A letter was received by Ed Tetu providing information and suggestions regarding the cemetery. Council discussed Ed's concerns and agreed to table the discussion for future meetings closer to the spring.

There was also a concern brought forth regarding Senior Lane plowing in the Village as well as the Snow removal on the Sidewalks. It was thought that the snow removal should not be done until there was at least 3 inches of snow. Council is happy with the work being done and at this time does not deem it necessary to enforce strict measures regarding the amount of snow before beginning snow removal. If any further complaints or concerns are brought forth, it will be requested that it is in writing for future discussion.

There was discussion regarding much needed building repairs – this will also be tabled for discussions in the future for budget and planning purposes.
