### Clarifications

**Q1:** Can the Township revert to the original Bid Deposit and Contract Security requirements?

**Answer:** Bidders shall replace “**10 Bid Deposit and Contract Security**” with the following;

#### **10 BID DEPOSIT AND CONTRACT SECURITY**

**10.1** All bidders shall include with each Bid:

- .1** A certified cheque in an amount equal to **ten percent (10%) of the Bid Price** made payable to the Owner as a Bid Deposit. This cheque shall be held by the Owner as Contract Security for the successful Bidder; and
- .2** The bid deposits of all but the lowest two Bidders will be returned within thirty (30) days after the Bid closing date. The bid deposit of the lowest Bidder will be retained by the Owner as Contract Security until the Contract has achieved Substantial Performance. The other bid deposit will be returned once a Bid has been accepted and a Contract has been executed by the Owner and successful Bidder.

**10.2** As an alternative to the requirements of Section 10.1 above, Bidders may choose to provide the following:

- .1** An executed Bid Bond Issues by a surety authorized to transact the business of suretyship in Ontario, in the latest form approved by the CCDC which is valid for a period of ninety (90) days after the Bid Closing Time, representing not less than ten percent (10%) of the amount of the Bid Price (the “Security”);

- .2 An executed Agreement to Bond issued by a surety authorized to transact the business of suretyship in Ontario, in the form attached as Attachment "A", or similar standard industry form generally in keeping with Attachment "A", which is valid for a period of ninety (90) days after the Bid Closing Time indicating that the Bidder is able to obtain from such surety a Performance Bond and a Labour and Material Payment Bond each for 100% of the Total Bid Price as required and in the form specified by the Contract. The cost of such Performance Bond and Labour and Material Payment Bond shall be included in the Bid Price; and
- .3 Without prejudice to any other remedy or right which may be available to the Owner, the Security shall be forfeited if the Bidder refuses or fails to sign the Contract within five (5) days of being presented by the Contract Administrator with the Contract for execution.

**Q2:** Will contractors be required to remove the beaver dams that are located downstream from Sta. 0+000 to 0+790?

**Answer:** No.
